

When God Left America, 2013, 156 pages, Larry D. Perry, 0942442407,  
9780942442403, Performance Press (WA), 2013

When God Left America details the changes in the American culture since the Pilgrims arrived in the 1600's thru 2013 resulting from the removal of religion from the culture. It describes the Judicial Activism of Judges, the acts of the Presidents, and the act of Congress in removing Christianity/religion from the public and the effect it has had on the morals of the country. These acts and actions have created the loss of a moral compass in America. It can be changed, but will require some "super glue" work on the part of the public to bring back a moral compass to this country. This book details how America is failing and how to change it for the better. Controversial and thought provoking, but strongly supported by a lengthy end note section. This should be a MUST READ for all Americans interested in preserving the country!!!
